History, tradition and quality in one place, can best describe this unique restaurant, which was opened in 2004. It is located in the center of Sarajevo, in the part of Stari Grad called Bistrik, just a few meters from the Sarajevo Brewery which is protected historical building.

HS Pivnica (tavern) is a kind of a “successor” of the cult city tavern called “Kod Sameka” (At Samek’s), This tavern was, until the beginning of the aggression on Bosnia and Herzegovina, a favorite gathering place for poets, writers, actors, journalists, and it was a symbol of Sarajevo’s bohemian milieu. We offer a variety of dishes, from grilled to order meals of the traditional Bosnian international and vegetarian cuisine, which will satisfy the biggest gourmets.

In addition to all kinds of Sarajevsko beer, we would emphasize the unfiltered light Sarajevsko and dark Sarajevsko beer. These types of beer are produced only a few meters from the Pivnica HS in the world famous Sarajevska pivara (Sarajevo Brewery), which has had a tradition since 1864. The unfiltered draught Sarajevsko may be taken only in the HS Pivnica. We invite you to experience the unique historical, cultural and gastronomic pleasure. Welcome!
