\*Symposium: Prevention and Management of Chronic Kidney Disease (CKD)

This symposium is a joint initiative of the Association of Nephrology, Dialysis, and Kidney Transplantation Physicians of BiH and the Association of Family Medicine Physicians, focusing on the prevention, early detection, and treatment of (CKD), as well as raising awareness among healthcare professionals and the general public about the significance of CKD.

Throughout the past year, both associations have engaged in a series of expert activities, resulting in the development of the Algorithm for Early Detection and Follow-Up of CKD Treatment in Patients with Type 2 Diabetes.

The efforts of both associations have been supported by Bayer d.o.o. Sarajevo.

**PROGRAM CONGRESS XIII FAMILY MEDICINE FORUM**  
**Saturday, May 17, 2025**

**HALL BANJA LUKA - Sponsored symposia and lectures**

- 12:00–12:45 Amicus Symposium**  
**Moderator:** Bosanko Horozić
- One Drug – Three Indications**
